Qualifications

Educated, Dedicated & Motivated!

Although nothing previous can fully prepare you for a new endeavor, my corporate leadership background, skills and tenure (which included project management, meeting and conference bridge planning and leadership, planning and conducting technical training, technical writing and other day-to-day leadership and technical activities) all do (I believe), help to prepare and qualify me for the consideration for any position where detail and focus is required. I am also a joiner, volunteer and participant. I am a strong advocate of the Illinois REALTOR Institute, the Women's Council of REALTORS and the Council of Residential Specialists and I promote these programs at every opportunity. I helped to encourage others within my industry towards earning their A.B.R., B.P.O.R., C.R.S., G.R.I., P.M.N., S.R.E.S. and S.R.S. National Designations as well as their A.H.W.D., GREEN, ePRO & S.F.R. National Certifications. I am an active proponent and participant in many industry Organizations, Associations, Institutes, Societies & Councils (as indicated herein).

Motivation

I have gained much personal satisfaction and motivation through industry networking, joining industry organizations & by volunteering my time through industry knowledge, trend and information sharing. However, my main motivation remains that of seeing my clients safely through the process of buying or selling their homes and their most significant investments.

Summary

Thank you for your consideration of my services and for the opportunity to work beside you to achieve your life goals and in the real estate arena. As always...

Kind Regards,

Christopher Tenggren
